“Regional Partnerships”

investments for a healthy bottom line

Regional Partnerships

- Idaho is a geographically diverse state with finite resources.
- We can leverage our strengths to get more bang for our buck, fortify each other, and add value.
- Commerce already has some partnerships in place and is looking to build more.

There is Still Work to be Done

- Legislative partnerships
- We all get it! We know what we need to grow our economy.
- Success for Idaho means creating and growing jobs that become careers and businesses that become communities, providing hopes and opportunity for our families.
